RE: Volunteer Coach

I, \_\_\_\_\_, would like to serve as a volunteer coach for the \_\_\_\_\_ program during the \_\_\_\_\_ season. As a volunteer coach for this program, I understand that I must have appropriate certification as per the Commissioner's Regulations prior to working with students.

- First Aid
- CPR
- Child Abuse Recognition
- School Violence Prevention
- DASA
- Concussion Management
- Fingerprinted
- Enroll in TEACH
- Apply for Temporary Coaching License

The school appointed coach will be responsible for all practice organization and planning. As a volunteer coach, there will be no stipend associated with this position. In the event that the coach with whom I am working finds that the current arrangement is not productive for the players' development, the services will be discontinued.

Thank you.
